A wonderful serenity has taken
possession of my entire soul, like these
sweet mornings of spring which I enjoy
with my whole heart. I am alone, and
feel the charm of existence in this
spot, which was created for the bliss of
souls like mine. I am so happy, my dear
friend, so absorbed in the exquisite
sense of mere tranquil existence, that I
neglect my talents. I should be
incapable of drawing a single stroke at
the present moment; and yet I feel that
I never was a greater artist than now.
